

Terms and Conditions

C2N software is the trading name of Mawdsley Computing Ltd, registered in England 3125068.

The Agreement

These terms and conditions constitute a legal agreement between you and "C2N software". By installing or using our products you agree to be bound by these terms and conditions.

Copyright

All software provided is the copyright of C2N software and is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

Rights and Limitations

This agreement does not grant you any rights in connection with any trademarks or service marks of C2N software. You may not resell, lease, rent or lend your software. C2N software may provide you with support services. The technical information you provide to C2N software as part of the support service may be used by C2N software for business purposes such as software development and software improvement. Without prejudice to any other rights, C2N software may terminate this agreement at any time should you fail to comply with these terms and conditions. In such a case you must destroy all copies of our products.

All rights not expressly granted are reserved by C2N software.

Support

When purchased, C2N software offers support and will make a reasonable effort to solve all support queries received. We endeavour to respond to support queries within 24 hours but cannot always guarantee this. Please contact support@c2n.co.uk.

Payment of Fees & Charges

Payment is due within 30 days of invoice and may be made by cheque or BACS. C2N software reserves the right to charge interest on overdue monies at a compounded rate of 2% per calendar month on overdue invoices.

Warranties and Refunds

C2N software have used their best endeavours to ensure that the software is free of errors. C2N software will refund you your fees paid should you find that one of our software products, which you are using, contains a serious defect and C2N software is unable to fix the problem within a period of 3 months from contacting us. C2N software do not warrant that the software is suitable for any particular industry or institution.

Computer Virus Protection

C2N software develops, tests and distributes its software on workstations and servers that have anti-virus software installed.

No other Warranties

C2N software disclaims all other warranties, either express or implied.

Limitation of Liability

In no event shall C2N software be liable for any special, incidental, indirect or consequential damages whatsoever arising out of the use of or inability to use the software or the provision of or failure to provide support. In any case C2N software's entire liability shall be limited to the fees paid to C2N software.
